## [Vulnerability In AliExpress Shopping Portal](#)

The screenshot shows a product page on AliExpress for a phone case. The product is a black and red case for an iPhone, with a 57% discount tag. The price is listed as US \$2.58 - 2.91 per piece, with a 2-day limit. The product has a 100.0% rating from 75 votes and 982 orders. The shipping is free to the Russian Federation via China Post Ordinary Small Packet Plus, with an estimated delivery time of 15-50 days. The page includes a 'Buy Now' button, an 'Add to Cart' button, and a 'Contact Seller' button. The 'Contact Seller' button is highlighted with a red box. The page also features a 'Store Promotion' of US \$5.00 off per US \$75.00 and a 'Get a US \$2 coupon' button. The return policy states 'No return necessary if product not as described, agree refund with seller View details'.
